

PACKING INSTRUCTIONS NOTICE D'EMBALLAGE

VOLVO B21FT-IBS

— ENGLISH —

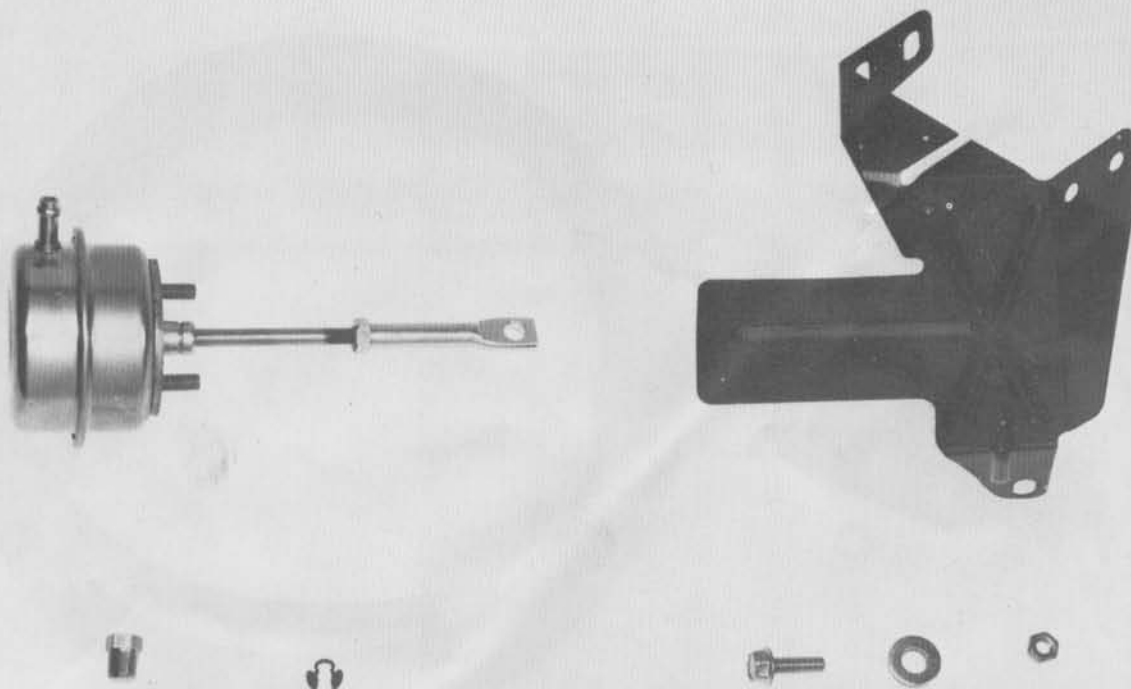

To facilitate installation all parts are illustrated in this packing booklet. Smaller parts are packed in plastic bags which are numbered to correspond with the photographs. The text in the installation instructions indicates where each item can be found.

Example: **on-off valve [3]** = the item can be seen in photo 3, and if it is small part, is packed in bag no 3.

— FRANÇAIS —

Pour faciliter le montage toutes les pièces ont été photographiées et numérotées. Les petites pièces sont emballées dans des sacs en plastique dont le numéro correspond à celui des photographies. Le texte de la notice de montage indique dans quel sac se trouve la pièce en question. Par exemple, **soupape d'ouverture-fermeture [3]** = la pièce est représentée par la photographie 3 et se trouve dans le sac no 3.
